<b>Job Description</b>			
<p><b>ROLE AND RESPONSIBILITIES</b></p> <p>Steti Transport Ltd. provides aggregates throughout the Bulkley Valley, with a focus on quality products and excellent customer service.</p> <p>Aggregate Truck Drivers work in the Aggregate Operations team, but also independently. Drivers load and haul aggregates for customers, from small residential deliveries to on-site work for major industrial operations. Responsibilities include, but are not limited to:</p> <ul style="list-style-type: none"> <li>• Loading your truck, weighing and recording aggregate deliveries, and completing deliveries.</li> <li>• On-site hauling for a variety of contracts, both large and small.</li> <li>• Ensuring customer service excellence – timely deliveries, professional customer interactions, etc.</li> <li>• Coordinating with the dispatcher on deliveries and your schedule.</li> <li>• Maintaining a clean vehicle and basic maintenance (ex: keep inside cab clean, truck wash, greasing, etc.).</li> <li>• Compliance with Steti’s Safety Program and relevant regulations for driving and pit activities.</li> <li>• Dependent on qualifications and ability, additional work options may become available.</li> </ul> <p><b>QUALIFICATIONS AND EDUCATION REQUIREMENTS</b></p> <ul style="list-style-type: none"> <li>• Class 1 BCDL with airbrakes and a clean driver’s abstract.</li> <li>• Trucking experience (Steti trucks range from single-axle to tridem with tridem pup).</li> <li>• Basic ability to run a loader – our drivers load their trucks.</li> </ul> <p><b>PREFERRED SKILLS</b></p> <p>Experience in a related work environment is always preferred, but necessary aggregate-specific training is provided. You must have the ability to work and problem-solve independently, as well as to work well in a team. We also expect drivers to interact professionally with customers, contractors, and on-site personnel.</p> <p><b>ADDITIONAL NOTES</b></p> <p>This position is full-time &amp; starts immediately (generally runs from April 1 to November 30 annually). Full-time log hauling is available in the off-season, and aggregate hauling may also be available.</p>
